

The Air Force Civil Engineer Center at Joint Base Cape Cod has posted electronic copies of the 2021 Summary Letter Reports (SLRs) to the Air Force Administrative Record where they are now available for viewing/download. The reports describe the state of several groundwater plumes as of the end of 2021.

Please click on the following link to access the Administrative Record: <http://ar.afcec-cloud.af.mil>

When you get to the website, please select "Joint Base Cape Cod" from the "Installation List" on the left side of the screen.

The listing below includes the administrative record number (AR #) that pertains to the SLRs; enter that number into the "AR #" field, and click on "Search". The record should appear below the search screen. Select the magnifying glass symbol under the "View" column and the report should download/open.
