MEMORANDUM FOR Homeland Response Force (HRF) Program Manager, 50 Maple St., Milford, MA 01757

SUBJECT: Commander's concurrence to place soldier on ADOS orders in support of the HRF. SOLDIER: (Name of soldier)

DATE:

1. I, (commanders name) understand that (name of soldier/applicant) member of (unit name/location) has applied for an Active Duty for Operational Support (ADOS) T-32 position with the Homeland Response Force (HRF). In reference to AR 135-200, Active Duty for Mission, Projects, and Training for Reserve Component Soldiers dated June 1999, specifically Chapter 6-1(j), and Chapter 6-8(b), Soldiers on ADOS are not required to perform scheduled IDT or AT, and that, my concurrence is required for the Soldier to be placed on ADOS orders.
2. Furthermore, I understand that it is the MAARNG practice to require Soldiers on ADOS to attend all IDT and Annual Training events whenever the ADOS mission requirements do not conflict. Such potential sources of conflict may include required official travel, meetings, state emergency/domestic operations, and/or ongoing work assignments that require Soldier's attention during the training periods. In such circumstance, Soldier will not be required to make up or SUTA missed IDT or AT training periods.
3. Based on the provisions outlined in this memorandum, I provide my consent for named Soldier, if selected, to be placed on ADOS orders for the HRF position.
